

CRA Mtg. 8-28-18 @ Depot 7:30 p.m.

S.L. — B & S.L. met w/ <sup>Peter &</sup> Jan Hale  
re: section house's location  
between Pullman & river

P. & J. Hale are in favor of proposed Ruttie  
location. S.L. suggests stakes  
be put up before selectmen site  
visit again. (It's 15' from marker & 30' back)

All agree the location isn't  
the best but at least it will be  
preserved and useful to the CRA.

An agreement between selectmen and  
CRA must be drawn up and very thorough.

S.L. will set up a meeting on

B.E. will let John Herrick know what's going on.

Snake detectors, fire sensors & entry sensors!
